- 1 Full terms and details of the products are available in the relevant termsheets.
- 2 The date at which the investment starts to be evaluated.
- 3 Although deposit products show an indicative market value, deposits are not tradeable and can only be broken in exceptional circumstances at Standard Bank's discretion.
- 4 The capital protection, as well as the potential return, are dependent upon the issuer being able to meet its financial obligations.
- 5 The definition of issuer for Lehman Brothers includes holding companies or its subsidiaries. Values for structures issued by Lehman Brothers were obtained from an independent investment bank for amounts of \$250,000 or more. This was necessary following Lehman Brothers' default.

Standard Bank Jersey Limited is regulated by the Jersey Financial Services Commission to take deposits and to provide investment business

Standard Bank Isle of Man Limited is licensed by the Isle of Man Financial Supervision Commission to take deposits
